Soon I will leave for Colombia in Northern South America. Colombia has been the center for drug cartels and untold violence for many years. It has the reputation for possibly being one of the most violent countries of the world. However, God is on the move in Colombia and there exists a great need for LEADERSHIP TRAINING among the national pastors. The three greatest needs are 1. Servant-Leadership, 2. Moral Integrity and 3. Unity in the Church. Our ministry team will be addressing these issues and more as we travel to the city of Ibague. These three areas of leadership training are the foundation stones of Christianity. What a privilege it is to be able to IMPACT a nation through its key church leaders and to INFLUENCE the spiritual climate of a nation and to IMPART the Gospel to the Colombian people who still do not know Christ as their Savior. Thank you for your partnership with Gateway Missions and for your continued prayers.

In July Jane Ann and I will be in Guatemala. We will be leading a team of eleven people from Church on the Rock to serve the children, the NLCH staff and Tommy and Marilyn Todd at the New Life Children's Home in Villa Nueva. Then in September/October she will be part of the teaching team in Arusha, Tanzania. This will be her first time to be with me in Africa. We are extremely excited that she

will be ministering along side me. Of course it takes extra resources for her to be able to go. Please consider a gift toward her expenses today. We are forever thankful for your partnership with this ministry.

Because He first loved us,
