Yankee Go Home

Those were the last words we heard from the Russian Guard as we drove from the border checkpoint leaving Transnistria. Pastors Jason Holland, Ed Ainsworth and I just completed four days of training

with over one hundred key pastors and church leaders in Tiraspol. From Transnistria we flew to Istanbul, Turkey and then on to Kiev, Ukraine. After arriving in Kiev we drove two hours to Lubney where we met with over four hundred pastors and church leaders. In both conferences lives were literally changed for eternity. Pastors who had been discouraged are now filled with hope. They possess a renewed sense of their calling and are empowered to finish the race. **Thanks for sending us there.**

Encouraging Testimonies

Dear Gary,

First I would like to appreciate God for your life. For me it is a big blessing of sitting and receiving under your teaching! My spirit was refreshed and new hope was restored in me in these few days. I was with you and your team in Tiraspol. I pray for more of God's grace, strength, and anointing upon your lives in Jesus name. It was real time of spiritual discovery for me, thank God !

Pastor Gary

I would like to thank you again. This was very great conference. My people are very impressed by the work of the Holy Spirit. We really need to do more of such conferences. Pastor Gary, we are very grateful for everything you do. Say hello to Jane Ann. Respectfully, Pastor Yuri.

A Day At The River

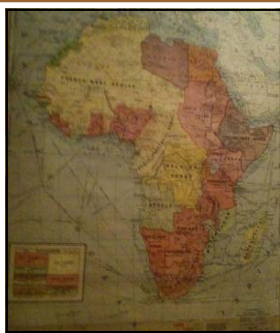

What a day we had at the river! It was a time for building relationships and experiencing the mighty power of God. There were about thirty pastors and wives who gathered together on the banks of the Dniester River. We fellowshiped together. We laughed and cried together. We spoke openly and honestly about difficult issues. We worshiped and praised God. We encouraged and prophesied to each other and Pastors Ed, Jason and I taught from the Word of God. There is a saying that goes like this... "People do not care how much you know, until they know how much you care." It is an honor to be able to go and speak to the leaders of these nations about the Kingdom of God. However, it is equally as great to know these people as friends.

"I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you." Jn 15:15

Tanzania - Africa

Our team leaves for Arusha, Tanzania September 28th. The next couple of weeks are crucial. We are asking you to pray for us and especially for those we will be ministering to. This year we have seen powerful moves of God. He has been so faithful to lift up the hands of the weary, to heal the sick and to save the lost. Your faithful support and prayers are needed more than ever. We will be training and bringing encouragement to pastors and we will be conducting an evangelistic crusade. Our team has taken huge steps of faith in responding to the Macedonian call to come over and help. Your faithful partnership is greatly appreciated. Bless you.

INDIA

I have received an invitation to participate in a Pastors Conference in November in NW India. Many pastors receive little or no training and are persecuted for their beliefs. I cannot disclose exactly where we will be, except to say we will be very near Pakistan. I need two things, your prayers and financial support. If you are able to help in either way please email me at gary@gatewaymissions.org. Your partnership enables us to do God's work together.

Your gift is tax deductible as allowed by law. All funds are used for designated projects and for the total ministry of Gateway Missions.
